Venue: Hotel Nikko Amata City Chonburi

Hotel Nikko Amata City Chonburi is located in Amata City Chonburi Industrial Estate, around 60kms southeast of Bangkok. AMATA City Chonburi already hosts about 750 international companies. These include around 450 enterprises, mostly automobile component manufacturers and steel and plastic processing firms.

It is situated on the Bangna-Trat Highway at km.57. Direct connection to Amata City from Suvarnabhumi International Airport via the Bangna-Chonburi Expressway takes approximately 45 minutes. Take the first exit marked Amata City Industry Estate. The hotel is located a further 700 metres, on the right-hand side of the main entrance to the estate between Kasetsart University Laboratory School and Vipham Hospital.

Address: 700/333 Moo 1 Klongtamru Muang Chonburi, Chon Buri 20000
